## What is creditable service?

Creditable service is the work employees perform for which they are eligible for CalSTRS benefits. For service to be creditable, it must meet all the following requirements:

- Be performed by an employee of a CalSTRS employer.
- Be performed in a position that meets the minimum requirements (unless exempt).
- Be a creditable service activity.

In some cases, creditable service may also include “outgrowth” activities, service covered by another California public retirement system, service as an elected officer of an employee organization, or service as a trustee.

## Is the employee employed by an employer? (EDC 22131 and 26122)

For service to be creditable under the Defined Benefit Program or Cash Balance Benefit Program, a person must be employed by an employer. To be employed by an employer, an employee must be employed by one of the following who offers the applicable program:

- Charter school (must be approved and eligible for State apportionment)
- Community college district
- County office of education
- School district (including joint powers authorities)

Those employed by a third-party administrator, private institution or as an independent contractor are not employed by an employer and therefore are not performing creditable service. However, if these employees are retired, they may be performing retired member or participant activities, respectively. For more information, see the [Working after Retirement](#) job aid available at [employersupport.CalSTRS.com](http://employersupport.CalSTRS.com).

## What about outgrowth?

Creditable service also includes the performance of California public school activities related to, and an outgrowth of, the instructional and guidance program of the California public school when performed for the same employer in the same fiscal year for which the member is performing another creditable service activity. We do not have a list of what is considered "outgrowth." Report creditable compensation paid for the performance of outgrowth using **Service Type Outgrowth (OUTG)**.

## What about other retirement system service?

Service covered by another California public retirement system is creditable service for the Defined Benefit Program if either:

- The employee elected coverage pursuant to EDC 22508 or 22508.5 (for more information see the [Defined Benefit Program Membership](#) job aid available at [employersupport.calstrs.com](http://employersupport.calstrs.com)); or
- The service was grandfathered as creditable service pursuant to EDC 22119.6.

Report creditable compensation associated with elected or grandfathered service as **Service Type Other Retirement System Service (ORSS)**.

### Grandfathering of Misreported Service (EDC 22119.6)

Activities that are not otherwise creditable service are creditable service for the Defined Benefit Program if the activities were:

- Performed for an employer on or before December 31, 2015; and
- Reported as creditable service to CalSTRS; and
- The employee did not elect to have the service excluded from CalSTRS coverage pursuant to EDC 22508.7.

This only applies to service in that specific position. If the employee becomes employed in another position, for the same or another employer, on or after January 1, 2016, the activities in that position must meet the definition of creditable service to remain creditable to CalSTRS. However, the employee may be able to elect the service be covered by the CalSTRS Defined Benefit Program via the *Retirement System Election* (ES 372) form.

## What about an elected officer on an employee organization? (EDC 22711)

Members may accrue up to 12 years of service credit under the Defined Benefit Program for time served as an elected officer of an employee organization while on a compensated leave of absence pursuant to EDC 44987 or 87768.5.

The member must have been employed and performed creditable service in the month prior to beginning their leave of absence (excluding periods not included in the school term). A school term is defined as a minimum period of 35 weeks that begins on the first day and ends on the last day creditable service is required to be performed by a member employed on a full-time basis (EDC 22168.5). Members do not have to be on a full-time leave of absence to perform service as an elected officer.

### Member Contributions

Members must contribute to CalSTRS at a rate adopted annually by the board. The contribution rate for the 2021-22 school year is **10.25% for CalSTRS 2% at 60** and **10.205% for CalSTRS 2% at 62** members.

### Employer Contributions

Employers must contribute to CalSTRS at a rate adopted annually by the board. The contribution rate for the 2021-22 school year is **16.92% for employers**.

### Contribution Reporting

If using the Contribution File format, report compensation paid for a leave of absence to serve as an elected officer of an employee organization using **Benefit Program Code Defined Benefit Member (DB1)**, **Assignment Code Elected Officer (37)** and **Service Type Elected Officer (ELOF)**. The system will calculate contributions at the applicable rate adopted by the board. You will receive an error message if you try to report creditable compensation and the member has already reached the 12-year limit.

If using the F496 File format, report compensation paid for a leave of absence to serve as an elected officer of an employee organization using **Member Code Member (1)** and **Assignment Code Elected Officer (37)**. The system will calculate contributions at the applicable rate adopted by the board.

## What about trustee service? (EDC 26403)

Creditable service for the Cash Balance Benefit Program also includes trustee service if the trustee elects to participate in the program for trustee service performed for that employer. For more information, see the [Cash Balance Benefit Program Participation](#) job aid available at [employersupport.calstrs.com](http://employersupport.calstrs.com). Report creditable compensation paid for service as a trustee using **Service Type Trustee Service (TRST)**.
